ANTI- BULLYING POLICY

For

Saint James’ Catholic Primary School, YAMBA
Anti-Bullying Policy

PURPOSE

At Saint James’ Catholic Primary School, YAMBA, we believe that all members of the community have the right to a learning and work environment free from intimidation, humiliation and hurt. We all share a responsibility to foster, promote and restore right relationships. We believe that bullying is unacceptable and we [students, staff and parents] all share a responsibility for preventing it.

This policy builds on the Schools Pastoral Care and Wellbeing policy to provide clear procedures and strategies to prevent, reduce and respond to bullying.

POLICY FRAMEWORK

Schools are called to establish relationships which are grounded in love, compassion, reconciliation and justice. In witnessing these values we reject ideas, beliefs and behaviours which marginalise or victimise people.

POLICY CONTENT

Whilst there is no universally accepted definition of bullying, there is general consensus that Bullying behaviour:

Definition

- is deliberate and often repeated
- intends to cause fear, distress, hurt or harm to another
- is action by a more powerful individual or group over a less powerful individual or group

Bullying takes many forms, all of which will cause distress. Examples of bullying include:

- Physical - hitting, pushing, tripping, kicking, spitting on others etc
- Verbal - teasing, using offensive names, ridiculing, spreading rumours etc
- Non-Verbal - writing offensive notes or graffiti about others, using e-mail or text messaging to hurt others, rude gestures etc
- Exclusion - deliberately excluding others from group, refusing to sit next to someone etc
- Extortion - threatening to take someone's possessions, food or money etc
- Property - stealing, hiding, damaging or destroying property etc
- Cyber - any form of bullying which is carried out through electronic means such as mobile phones, email, chat room, social networking, ‘sms’, web page etc

How do we prevent bullying at St James’?

We believe, based on research, that prevention strategies through education that involve the whole school community [students, staff and parents] are more likely to reduce bullying. Therefore, at Saint James’ Catholic Primary School, YAMBA we recognise that we all share the responsibility to prevent bullying.
At St James’ we adopt the following strategies to prevent bullying:

Explicit teaching of positive behaviours embedded within the curriculum addressing positive relationships, conflict resolution, resilience, bystander action etc

Regularly recognising and acknowledging students who demonstrate appropriate behaviours that promote and restore right relationships

Vigilant classroom, playground and transition supervision

- Teachers are to actively supervise children at all times. Teachers should note supervisory duties for the day and turn up promptly to duty. Teachers are asked to be aware of playground ‘hotspots’ – toilets, cubby house and visit these areas regularly throughout their supervision duty.

The Playground folder is taken to the playground and the staff members record incidents for follow up at the exec Meeting.

Provision of safe and structured playground spaces and activities at break times

The children have access to a variety of equipment both active and passive. The active equipment is stored in the room beside Stage 3 and is available for all children.

The passive equipment is stored in the back of the front office and is accessible to all children. The dress up box and mobile are accessed from the Library.

How do we respond to bullying at Saint James’ Catholic Primary School, YAMBA?

Bullying is viewed as a major breach of the school/college rules and behavioural expectations and therefore follow up action will align with our school/college Behaviour Management and Student Discipline Policy.

Any reports of bullying will be investigated and appropriate action will be taken promptly. The response to bullying will include:

1. guidance and other support for the recipient of the bullying (eg re-skilling and re-teaching of strategies, resilience and social skills, counselling, conflict management skills, social net working etc).
2. guidance and support for ‘bystanders’, ‘supporters’ and witnesses of the bullying (eg intervention strategies etc),
3. age appropriate and consistent sanctions for the student who is bullied. (eg consistent with school/college Behaviour Management Policy).
4. interventions and support for the student who bullied included in a Behaviour Support Plan (eg specific interventions developed to reduce the bullying behaviour, teaching of replacement behaviours, reinforcers etc).
5. where appropriate informing parents as stated in the policy and involving them in any action and follow up.

Procedures for investigating bullying and follow up

In discerning appropriate responses to bullying, the collective welfare of the school/college community will be balanced with the individual needs of the student.

Recommended resource for interviewing and follow up of Bullying incidents - “The Method of Shared Concern”
Dr Anatol Pikas, Sweden, Readymade Productions.

- Preliminary interview(s) will be conducted to ascertain the specific nature of the bullying. These interviews should be with individuals initially (ie student being bullied, students witnessing bullying, student engaging in bullying behaviour, staff etc).

- The initial interviews should focus on the safety of individuals. This should include:
  
  - a clear statement on the consequences if the bullying continues or if there are any reprisals as a result of the reporting of the incident.
  - immediate preventative actions that will be implemented to avoid further incidents.

Decisions will be made as to the level of severity of the incident and whether the parents of those involved need to be informed.

- Follow up interviews should focus on appropriate strategies to assist and support all involved within a Behaviour Support Plan. This Plan will specifically identify the inappropriate behaviours, name the replacement behaviours, outline strategies to support the replacement behaviours and reinforcers (both negative and positive) when behaviours occur.

- A record of the separate interviews should be kept.
- Regular monitoring and follow up with the students involved is necessary. (for example daily, prior to and after break times etc).

- Review of the Behaviour Support Plan will take place to modify strategies and supports.

- Any further recurrence of bullying may result in an issue of warning re suspension and could lead to the implementation of suspension procedures and, if necessary, removal of the student from the college through:
  - Suspension pending negotiated transfer,
  - Negotiated transfer or
  - Expulsion
